MORE STUDENTS OPINIONS ON THIS PROJECT

I really enjoyed my experience in etwinning because I got to know a country virtually, a country that I had never thought of visiting. I think it was a good way to get out of our country, despite the circumstances.

I liked it very much cause I have never been in a project like this.

Very nice jobs!

This project was really good!

I loved this experience. I was so happy to work with people who wasn't from Estonia.
